

# PRODUCT STORAGE DISPLAY™

- Protects product from theft and weather damage.
- Eliminates continuous costs of shrink wrap, banners and paper base wrap.
- Extra inventory on hand decreases total deliveries. (Product Storage Display)
- **Pays for itself in less than three months!**
- Easy-open, flip-up front door allows quick access. (Product Storage Display)
- Designed to incorporate 3 ft. x 3 ft. pallet.
- Attaches instantly to pallet with four cable ties, included.
- Printed with huge, brilliant, fade proof graphics on all 4 sides.
- Capacity: 192 - 12 Packs

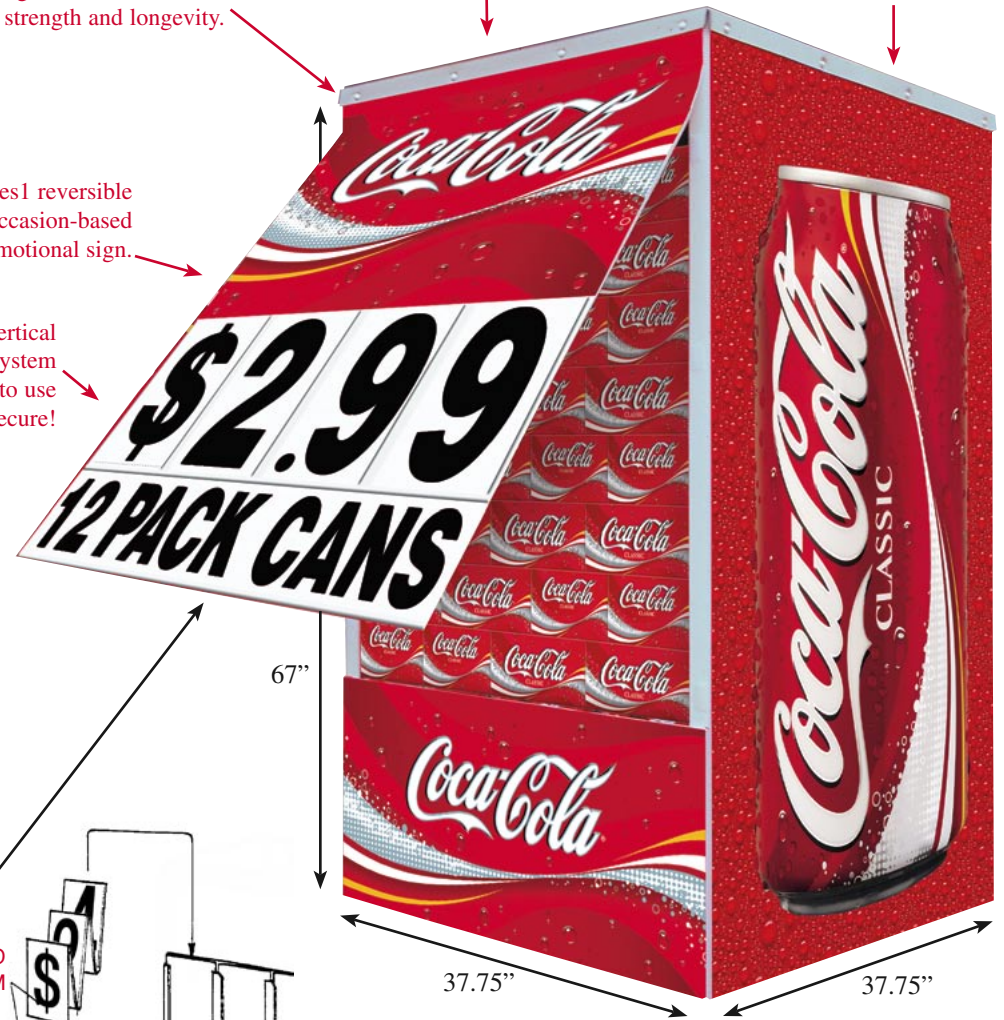

New galvanized steel bolts provide extra strength and longevity.

Silver-gray roof does not show dirt.

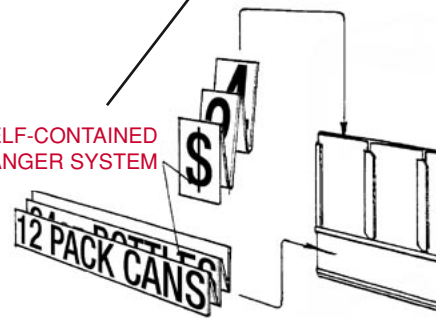

Tapered roof eliminates water collection.

Includes 1 reversible occasion-based promotional sign.

New Vertical Price Changer System is easier to use and more secure!
