

XT-1™

HIGH PERFORMANCE ALL-STEEL OUTDOOR MERCHANDISER

\$3 29 12
PACK

CLOSED AND LOCKED
(SHOWN WITH OPTIONAL HEAVY-DUTY LOCKING WHEELS)

- Heavy-gauge, galvanized steel construction for the ultimate in security and rust prevention.
- Lockable doors retract safely inside unit on large roller bearings to display product.
- Brilliant, highly visible, fade-proof graphics applied throughout.
- Fixed hinging Price Changer System promotes all package increments, folds down when not in use.
- Extreme-angled roof prevents top loading and is permanently affixed for operator safety.
- Elevated steel grid keeps product up off the ground, clean, and eliminates build-up of dirt or debris.
- Provided with 5 adjustable-height leveling feet standard.
- Available with custom heavy-duty locking wheels to easily relocate, or transport product inside or out with minimal labor.
- Dimensions: 54.5"L x 30"W x 52"H.
